hasGold == True
Good ending
You win and have gold to offer Ran. You've earned your seat in Aegirheim
isBrave == True
Best ending
You are reunited with your crewmates and amaze them with your saga.
"Thank you for playing. Would you like to play again?"
hasGold == False
Bad ending
You win, but cannot be accounted for without your gold ring. You are sent out to wander with the rest for eternity.

Note:

Combat is planned to be handled with a 1d10 roll, plus modifiers for handling accuracy, running, and enemy behavior.
Attacking would require a roll of 6 or greater to deal damage, with a natural roll of a 10 dealing double. Fleeing is requires a roll against the enemy's aggression.
